All Artists must submit up to 3 images of art they have created themselves to impress on style and commitment to being a young Artist. Please attach art images to email when sending application.

Youth groups or a group of students may submit a piece that must follow the same size limits and guidelines, as all entries. It must be noted on the application that it's a group entry filled out by one lead contact and may only be submitted once. We will email you a form to add ALL the artist participants information which also must meet the Artist criteria and standards. If you are working on it at school no help from your art teacher is requested.

Art should **NOT** be larger than 24"x 30" and should come with a **hook or wiring ready to be hung**. That is something we will teach you to do at our workshop, if your frame does not come with it and you would like help with.

Please DO NOT send originals or prints of your Art through the mail as your art example...a digital image/photo is perfect. Please make sure to submit clear well-lit photos of your art in an attached link when emailing your application.

It is NOT necessary to send the image of the Art you are going to show. We understand you may be still creating it, but please give us a description of your Art in the application. We do not judge what you create, just want an idea for now.

All Artists will receive **65% if your art sales and** High Voltage Music Inc. will receive 35% towards event cost. Although we would love to have the time to collect from the buyers and pay artist at close of the event, it is highly unlikely, but a check will be written and mailed (or available for pick up) to the Artist or their Guardian within 3 days of the event if we've collected from the buyer.

If your Art did not sell we ask that you please take it with you at the end of the event. Please do not leave the event without checking out your art with the Artist lead. **Note:** We may create a digital art gallery and ask if you'd like to leave your art in case it sells at a later date and if it sells you will be compensated as stated above.

No nude art, illicit subjects, drug images or vulgar words on images will be accepted in this age-appropriate event.

NO COPYRIGHT INFRINGEMENTS WILL BE ACCEPTED. You can find information about copyright laws in this link: https://www.copyright.gov/title17/92chap5.html?fbclid=IwY2xjawHmgIxlleHRuA2FlbQlXMAABHXdap883dhC2T6L9S0aR0E376uco pUsU_1N4LoL9hCjp5c3lvN5gZ_nNCg_aem__iOh2Pgf5e7_SOwt3rXnCA
