

Teens on a Mission IV- Entertainment Application

Welcome to our Entertainment application. Please fill out this application completely to be considered as part of the entertainment for this event. There will be 1 mandatory meeting within a month leading up to the event date that your band will have to attend to keep your spot. Those dates will be posted on our calendar soon. Musicians should be between 13-19 years old and currently enrolled in school (If a band has a skilled younger band member, please write a note in the email when sending the application). Although there are limited spots available to play this event, we do have several other events throughout the year and will invite some of bands that applied, but didn't get in this event to play, so we encourage everyone to apply and at the very least get on our contact list for future events!

**All bands, minus the headliners will be using a backline to make load-in & outs much quicker.
Drummers can bring their favorite snare, cymbal, throne and kick peddle.**

All Entertainment must be prepared to arrive early and stay for as long as possible to support all the acts and the event.

There are no vulgarities allowed during your performance. This is a family friendly event and our Sponsors may be onsite. As much as we understand Art sometimes commands some cussing in the lyrics, you will be unplugged if you choose to do so, but we don't anticipate having to do that.

We ask you to please respect this age-appropriate event and modify lyrics, if needed.

There is no compensation for playing this event, but **each bandmember will get 1 guest in for free.**

All entertainment will receive an event t-shirt, water and snack for playing this event.

All Bands and other entertainment will be listed on the event poster, our website, and social media accounts. We will be doing a strong promotions as soon as we get the date and venue booked.

All entertainers will collect community service hours, if needed for school, for participating.

All Entertainment is expected to show professional behavior during their time on stage and throughout the event.

All Artists are asked to share this event on your social media pages to optimize attendance!

Thank you for applying and we will do our best to fit as many bands in as possible!
